

**LEGAL NOTICE**

**STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.**

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1<sup>st</sup> Floor, LaSalle Building, 617 North 3<sup>rd</sup> Street, Baton Rouge, Louisiana, at 9:00 a.m. on **THURSDAY, DECEMBER 6, 2007**, upon the application of **PETROMAX OPERATING COMPANY**.

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **Hebert Sand, Reservoir A**, in the Maurice Field, Lafayette and Vermilion Parishes, Louisiana.

1. To reestablish rules and regulations and to recreate a single drilling and production unit for the exploration for and the production of oil and gas from the Hebert Sand, Reservoir A, said unit to be designated HEBERT RA SUA. This unit was terminated by Supplement to Office of Conservation Order No. 366-A-2, effective April 16, 1980, under provisions of Statewide Order No. 29-L.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate the Petromax Operating Company-L.M. Turner No. 1 Well as the unit well for the proposed unit.
4. To designate Petromax Operating Company as the unit operator for the proposed unit.
5. That future wells drilled to the Hebert Sand, Reservoir A, should be located in accordance with the provisions of Statewide Order No. 29-E.
6. To authorize the Commissioner of Conservation to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.
7. To consider such other matters as may be pertinent.

The Hebert Sand, Reservoir A was previously defined by Order No. 366, effective April 1, 1957, as being that sand productive of gas and condensate in Seaboard Oil Company-J.M. Hebert, Jr. No. 1 Well located in Section 41, Township 11 South, Range 4 East in the interval of 11,375' to 11,400' (electrical log measurements).

A plat is available for inspection in the Office of Conservation in **Baton Rouge** and **Lafayette**, Louisiana.
